**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I've switched to Sonic because of unhappiness with AT & T's pricing and poor service. Please don't reward AT & T them for their years of overcharging by stifling local broadband access.

If AT&T is not faced with competition, their previous history makes clear that they will continue to try to gouge customers for all they can get.

Thank you,

Susan Matisoff
